Application for Departmental Honors
Please submit application to robcorra@sas.upenn.edu by April 13th, 2020

Name: _____ Length of Time in Lab (semesters): _____

Sponsor:_____ Cosponsor:_____

Concentration (if applicable): Molec and Cell Neurobiology Ecology & Evolution
Mathematical/Computational Mech. of Disease

Proposed Thesis Title:
_____

_____

Please provide several key words to describe the subject area of your research:

_____

To be considered for honors, the project must be primarily your work. It must be part of an unpaid independent study and you must have written the accompanying paper yourself. Your advisor can help by proofreading the document and suggesting improvements but the submitted paper must be in your own words. All submissions must have an "Author Contributions" section.

I certify that the paper I submit is my own work and is not being submitted for a grade in a course (other than BIOL 399 or 499) or for honors in any other department.

_____ _____
Signature Date

Please discuss your submission for honors with your **sponsor** (the person in whose lab you worked) and obtain their signature below. We will contact your sponsor if the committee needs any additional information.

I certify that I am the advisor for this project and I support the submission of this paper for honors consideration in the Department of Biology.

_____ _____
Signature Date

E-mail address:_____

Please return this signed application to Roberto Corral in the Biology Academic Office (robcorra@sas.upenn.edu) by, or on, **Monday, April 13th, 2020**.
